The ROCOCO CLASSIQUE is an exclusive design based on an 1890's French design. This cast iron radiator gives a touch of period elegance and an amazing feature in any room within your property. The narrow scrolled profile is ideal in hallways where widths can be tight. They offer exception output and the scroll work is crisp and detailed.

Burnishing is the optimum finish for the ROCOCO CLASSIQUE to accentuate the detailed scrollwork. Burnishing paste in silver, gold or copper is carefully applied by hand over a darker base coat. This is the same traditional method used by craftsmen throughout the ages.

The ROCOCO CLASSIQUE can be finished in a variety of colours – metallic, Farrow & Ball range, RAL colours or primed for onsite painting.

Because each radiator section is specially hand cast there may often be a slight variation in the length of each radiator once built (end bush to end bush), please allow for this in your pipework fittings.
