

Dept. of Education

Carrigaline Education Campus

- CARBOLINE RADIANT CEILING PANELS
- ZBN RADIANT CEILING PANELS
- RUNTAL RADIATORS

SCOPE & CHALLENGES

Durability, longevity and future compliance with BCAR standards were the key drivers of this €33m education campus. The Versatile team provided a suite of heating solutions that was produced and independently CE tested in Europe to the EN442 standard that would future-proof the fit out in a post-Brexit regulatory environment.

Project Team

- M+E Consultant: Joda
- Architect: KOBW Architects
- Mechanical Contractor: Murphy and Kelly
- Main Contractor: MMD Construction
