The largest format with the latest technology

Peronda presents its latest innovation regarding tile size by matching not only quantity but quality. The large 100x260 cm format, which is known within the ceramics field, makes a comeback by Peronda's hand to offer the most beautiful option for the first time thanks to its Shaped finish, the most realistic on the market.

Shaped combines relief and graphics on each tile to replicate nature accurately, for it is the latest in bas-relief printing technology.

100 x 260 cm Shaped, capital formats for monumental spaces.

Peronda presenta su última innovación en dimensiones de la pieza, donde aúna cantidad pero también calidad. El gran formato 100x260 cm, si bien ya conocido en el mundo de la cerámica, resurge en esta ocasión de la mano de Peronda para ofrecer por primera vez la mejor opción estética gracias a su acabado Shaped, el más realista del mercado.

Shaped combina relieve y gráfica en cada pieza para replicar la naturaleza con precisión, pues se trata de la última tecnología de impresión en bajorrelieve.
